 district court CASE NO.:

STATE CASE NO.: CVPT21-01085

INTERPLEADER'S NOTICE OF
 REMOVAL TO FEDERAL JURISDICTION
 UNDER 28 U.S.C. §§ 1335 and 1333A Suit in Equity In Re:
 All Property and Rights in Property

Pursuant to 28 U.S.C. §§ 1335, Interpleader, RB Revocable Living Trust ("Trust"), by and through Richard Marc Boiteau, ("Trustee not Individually") appearing *In Propria Persona* (hereinafter "Interpleader"), makes this claim as Interpleader to the exchequer side of the district courts as owner of "Lawful Money of the United States" (12 U.S.C. § 411), unlawfully seized under mischaracterization as United States Currency and presumption of a tax or forfeiture in Admiralty without due process, a valid hearing, or warranted authority. This action now includes money, property and interests in property exceeding \$500 found to be contained in the Disputed Ownership Fund, and held in the custody of the law in the Court Registry Investment System ("CRIS") under the supervision and control of the Director of the Office of Administrative Courts.

Interpleader is the owner of all property or rights of property during the lifetime of the Grantor as set forth in the herein annexed agreements, internationally legalized under a public record by the district court of Den Haag, Apostille Number 2022-12791. The Trust files this Notice of Removal in Interpleader of a forfeiture action from the Superior Court of California, County of Yuba. In support of this Notice of Removal, Interpleader states as follows:

PART ONE. CASE BACKGROUND

1. On October 4, 2022, Petitioner commenced a forfeiture action in the Superior Court of California, County of Yuba, against the property of Interpleader.
2. The Complaint ("Complaint") sought forfeiture of *In Rem* property taken as a prize (See 28 USC §1333 (2)).
3. The property subject to the Complaint is described as \$112,576 United States Currency.
4. The property is presented as US Currency/Federal Reserve Notes, instead of lawful money, which is specifically defined in law at 12 U.S.C. § 411 as:
Federal reserve notes, to be issued at the discretion of the Board of Governors of the Federal Reserve System for the purpose of making advances to Federal reserve banks through the Federal reserve agents as hereinafter set forth and for no other purpose, are authorized. The said notes shall be obligations of the United States and shall be receivable by all national and member banks and Federal reserve banks and for all taxes, customs, and other public dues. They shall be redeemed in lawful money on demand at the Treasury Department of the United States, in the city of Washington, District of Columbia, or at any Federal Reserve bank.
5. Interpleader is informed and aware that RICHARD MARC BOITEAU is named as Claimant and is presumed to be an incompetent "minor" from whom the

property was seized. However, Claimant is not and has never been an agent for the Federal Reserve and suffers no disabilities of minority. Claimant has no FRB agency or employment as it would relate to said FRNs or US Currency.

6. Accordingly, the money seized can only operate as lawful money as defined by § 411, *supra*.

7. On December 08, 2022, a Notice of Interpleader (28 USC 1335) was filed with the state court under a related case.

8. The state court and the state attorneys have rejected all filings in the related case and have stricken them from the record, including the Interpleader notice, the totality of which include unproven jurisdictional challenges as threshold matters, and continue to move against Interpleader's property with intent to take the property as a prize.

9. It is clear from the actions of the state court, that Grantor is prejudiced by conclusive presumptions that create a want of *Persona Standi in Judicio* due to a presumption of disability as an incapacitated ward, an enemy or a minor without control of minor securities (31 CFR 363.6), such incapacitation at a minimum mandates the state court to act to jealously guard the property of a ward at its main purpose pursuant to the guidance of CJS and Am. Jur. and American Jurisprudence.

10. It is clear from the record that Custodial accounts and minor investments are held in the custody of the law, and Interpleader establishes a right and claim thereto pursuant to 28 U.S.C. § 1335 making special appearance to the exchequer side of the district courts seeking protection of all property pending full disclosure and disposition.

PART TWO. PARTIES

11. Interpleader appears in actor as RB Revocable Living Trust, *In Propria Persona*, through Richard Marc Boiteau as Trustee, not Individually, and denies any legal disabilities in *Persona Standi in Judicio* seeking equitable relief in protection of the lawful money described above. Interpleader is not aware of any disabilities established by operation of law that terminates *Persona Standi in Judicio* and no evidence to the contrary exists. (FRCP 9 rules of special pleading).

12. Claimant is within judicial knowledge and subject to the jurisdiction of the Court. Petitioner is subject to the laws of the United States, acting under color of law in the unlawful seizure of private property, *In Rem*, as a bounty and prize.

13. Interpleader is a revocable living trust during the life of Grantor, and within judicial knowledge by legalized international court record, and no evidence to the contrary exists. Attached hereto as Interpleader's **Annex A** is a Certificate of Trust and Durable Power of Attorney outlining the authority of the Trust. No other power of attorney or authority to control the property or interest of property of the Grantor exists and no evidence to the contrary exists.

14. Interpleader makes special appearance to establish ownership of the private property which is subject to Claimant's attempt to claim the bounty as a prize. Interpleader, in actor, *In Propria Persona*, is defined as a "foreign state" 28 U.S.C. §1603(b)(1) and (3) for the purposes of removal 28 USC §§ 1333 and 1335.

15. Interpleader appears before the court as attorney-in-fact by and through a Durable Power of Attorney dated November 22, 2022. Interpleader has presented for filing Notice of Special Appearance in the Nature of Interpleader.

16. Interpleader is aware of parties, undisclosed by Claimant, that need to be joined for appropriate disposition of all matters between the parties. The Joinder parties are all subject to jurisdiction of this action under federal questions and the original jurisdiction of the district court by operation of law at 28 U.S.C. § 1335. These parties may include the United States in protection of its interests, the Department of the United States Treasury, the Federal Reserve, the State of California and the People of the State of California, and any claimant operating as guardian or guardian ad litem in the case of an infant/ward relationship if so exposed.

17. Interpleader shall address joinder of parties and facts in support if required by the Court.

18. Interpleader seeks declaratory judgment to firmly and permanently establish the rights and equitable remedies of the parties, and full disclosure and accounting of the Disputed Ownership Funds ("DOF"), CRIS, Securities and other investments held in the custody of the law or in the custody or possession of others undisclosed who are acting in breach of duty.

Part Three. Jurisdiction and Venue

19. This Court has original jurisdiction pursuant to 28 U.S.C. § 1335, 1333.

20. Venue is proper in this Court because the state court utilizes the exchequer side of this Honorable Court for transmission and remittance of Court Registry Investment Funds to the Federal Reserve Bank of Dallas, and in the nature of interpleader against the Disputed Ownership Fund as outlined in 28 U.S.C. § 1335, this Court has original jurisdiction. The parties holding Interpleader's interests and property,

under any theory of law, conduct themselves in the District of this Court and are subjects of its jurisdiction.

Part Four. Legal Standard

21. This removal is proper in that district courts shall have original jurisdiction of all matters in the nature of Interpleader. 28 U.S.C. § 1335.

22. This removal is proper in that district courts shall have original jurisdiction, exclusive of the courts of the States, over any civil case of admiralty or maritime jurisdiction, and any prize brought into the United States and all proceedings for the condemnation of property taken as prize pursuant to 28 USC §1333.

23. Since all matters are founded on newly discovered evidence related to Disputed Ownership Funds and CRIS accounts, and the fraud on the court by parties claiming funds thereunder, this action qualifies pursuant to FRCP 60(e) in the nature of Coram Nobis (FRAP 21), which may be filed separately or at a later date.

Part Five. Miscellaneous Certifications

24. This Notice is timely filed within 30 days of the newly discovered evidence of the Disputed Ownership Funds and Court Registry Investments as well as the actions by Claimant to take the property as a prize. See 28 U.S.C. § 1333.

25. Pursuant to the Federal Rules of Civil Procedure, Interpleader concurrently served Claimant's counsel a true and correct copy of the Notice of Removal.

26. This Notice of Removal has been served on Claimant's counsel in accordance with 28 U.S.C. § 1446 (d). A Notice of Filing of Notice of Removal to Federal Court (attached as Annex B) will be filed in the Superior Court of California,

County of Yuba in accordance with 28 U.S.C. § 1446 (d)]as soon as this Notice of Removal has been filed in this district court and assigned a case number.

27. Interpleader, the undersigned, hereby certifies that only a status conference is pending before the Superior Court of California, County of Yuba, from which this case is removed.

28. Interpleader certifies that this removal does not involve matters prohibited by any abstention doctrines as the Disputed Registry Funds are sufficient to satisfy the original jurisdiction of the district court and the standing of Interpleader.

Part Six. GENERAL BOND

29. The court is noticed that a General Bond is held in the custody of the Court, evidenced by the CRIS funds, and by this Notice all of Interpleader's Interest in the, lawful money of account, Disputed Ownership Fund and Court Registry Investment Funds, as well as the 100% stock interest in the United States held by Interpleader on behalf of the Grantor, are hereby assigned to and for the Account of the United States in support of *Persona Standi in Judicio*, which may not be extinguished by legal disability under the Trading with the Enemy Act of 1933. This preemptive assignment and/or delivery of property, deposited with Trustee for the benefit of the Clerk of Court in accordance with F.R.C.P. Supplemental Rules, Rule E (5)(b) and Supplemental Rule 7.03(c) (2), (3), for the purposes of indemnification of the listed vessel of the United States, conditioned to answer the judgment of the court in all or any actions that may be brought in any such court in which the said vessel may be attached.

30. The transfer and assignment of General Bond, as Property, to the Clerk of Court shall constitute disclaimer of all underlying securities 26 U.S.C. § 2518 and shall be deposited by this Court with the Treasurer of the United States. 28 U.S.C. § 2041.

31. Interpleader disclaims all right, title, interest and powers of appointment in the obligation registered in the name of the Defendant recorded on the books and records of the Superior Court, referenced under Account Number: **CVPT21-01085**, referenced under CUSIP Identifiers: 72201F789 and has transferred in trust all interests to the custody of the Law in care of the Clerk of Court, as Representative Payee.

32. Interpleader consents to the payment from registry funds or disputed ownership funds, refund of purchase price, transfer, reissue, or other disposition by said successor Trustee for the purpose of (i.) releasing and discharging the undersigned from any liability with regard to the obligation, (ii.) suspending the Trustee's power of alienation of property with regard to the said obligation, and (iii) in return for Interpleader's unlimited beneficial interest and private enjoyment of the property.

33. Interpleader has requested the Secretary of the Treasury to enter the information on the transfer books by delivery of notice of the transfer.

Part Seven. CONCLUSION

34. Based upon the information contained within and attached thereto, this district court has *original* jurisdiction over Interpleader's claims pursuant to 28 U.S.C. § 1335, to adjudication in equity of the property held as a prize pursuant to 28 U.S.C. § 1333, and of the parties. Interpleader is therefore entitled to remove this case to this Court as a suit in equity.

Wherefore, Interpleader requests that the action before the Superior Court of California, County of Yuba, Case Number: **CVPT21-01085** and any/all associated case numbers be, and hereby is, removed to this district court.

I state that the foregoing is true, complete and correct and will verify the same in open court.
